# PART INSPECTION STANDARD

Part Number:

Part Description:

**Material**

**Control Method**

A vertical scale with a central vertical line. At the top, there are three horizontal tick marks. Below these, there is a shaded gray box. This is followed by a series of horizontal tick marks, some solid and some dotted. Further down, there is another shaded gray box. Below that, there are more horizontal tick marks, some solid and some dotted. At the bottom, there is a final shaded gray box.
